

Summer Energy Academy (S.E.A)

(Weekdays July 5th – August 12th, 2016)

AABE[®]

2016 Summer Energy Academy Level 2
(S.E.A - 2) Program Application

INTRODUCTION TO THE SEA PROGRAM

The purpose of the Summer Energy Academy is to assist in meeting the global energy challenge. In order to prevent an impending energy crisis it is imperative that we expose students to the concepts of energy and STEM disciplines at an early age, therefore laying the foundation for future scientist and engineers to develop the needed technology to reduce and change how we consume energy.

2016 SEA LEVEL 2 PROGRAM

The American Association of Blacks in Energy, NY Metro Chapter (AABE-NYMAC) is proud to announce the 2016 Summer Energy Academy Level 2 (SEA-2) hosted by Bedford Academy. The purpose of SEA - 2 is to further challenge returning SEA students by expanding on concepts learned in SEA-1 through a detailed study of the energy and the principles existing in the world around us. Over six weeks, students will review the basics of energy from SEA Level 1 and connect those concepts to advanced energy conservation while applying their knowledge and research to a project based on a sustainable energy concept of their choice. In addition to interactive lectures and field trips, SEA-2 students will be introduced to topics on the SAT, college prep and how to pursue a career in the energy sector.

Previous graduates of the SEA-1 program (grades 7-10) are invited to participate based on a review of their academics, state exam scores and a brief essay. There is no cost to attend the Academy with the exception of a \$300 registration fee. If you are interested in attending, please complete and return the attached application and all supporting documents **by June 6th, 2016 to the SEA Application Review Board at summerenergyacademy@gmail.com.**

2016 SEA -2 APPLICATION OVERVIEW

SEA -2 PROGRAM INFORMATION

Date: Weekdays : July 5th – August 12th, 2016

Time: 8:30am – 3pm

Location : Bedford Academy

1119 Bedford Avenue

Brooklyn, NY 11216

APPLICATION REQUIREMENTS

Applications will not be evaluated for acceptance until the following are received:

- Completed SEA Level 2 Application
- 2015 Math Citywide/State Exam Scores
- 2015 ELA Citywide/State Exam Scores
- 2015 NYS Science Performance Exam Scores (5th and 9th Graders only)
- Copy of most recent Report Card
- 1 Essay, 400 words or less, outlining the student's future career goals
- \$300 Registration Fee (Due by July 5th)
